Day Support	292
Other	284
Community Living Support	181
Personal Attendant Care	55

Consumers
This duplicative count is based on the Database Express immediate needs waiting list and represents the state of the waiting list at fiscal year end (2005). This count represents the number of individuals that are waiting with an immediate need for a particular service type. Please note that the same individual is counted for each service type they are waiting for (duplicative).
